

COLORADO MILL EQUIPMENT CRM-SERIES CRUMBLERS

Pellet crumblers are designed to break pellets into small particles or granules. Colorado Mill Equipment currently offers two models of pellet crumblers: the CRM-624 and the CRM-639. These crumblers are high-capacity, user-friendly machines with heavy-duty construction.

FEATURES:

- Belt-drive design
- Appx. 9 corrugations per inch
- Adjustable roll gap for varying particle sizes
- Low profile construction for compact installation
- Full-length hinged maintenance door for roll inspection and clean-up
- NEMA-approved 7.5HP 208/234 60V motor

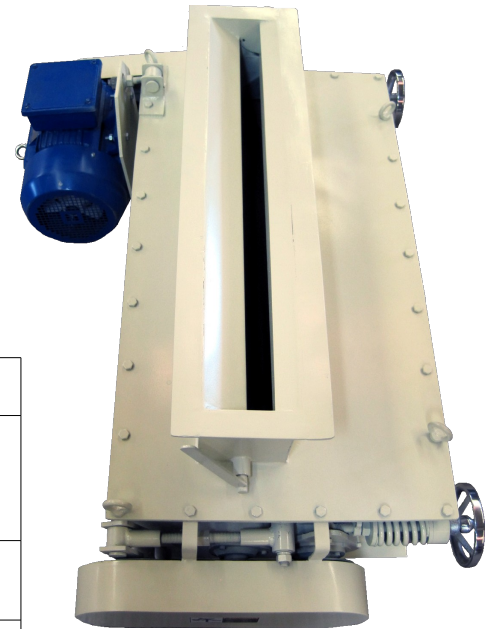

CME
